

## Solution to IDM has been registered with fake serial number

05:53 [17 comments](#)

After the recent IDM upgrade many started having the problem of Fake serial number :.  
So today am going to show you a Simple way to solve the following

IDM have been registered with fake serie number . Be aware that the cracked product may work incorretly and download files with errors. thus we advice you to purchase the full featured product .

This messege can be so annoying that it keeps coming up until you exit IDM .

### Solution :

#### FIRST:

Close every trace of IDM. important

#### SECOND :

Open your IDM directory and search for this files **IDMGrHlp.exe** and **idmBroker.exe** .

#### THIRD :

Rename **IDMGrHlp.exe** into **IDMGrHlp** . .....NOTE without extention.

Rename **idmBroker.exe** into **IDMGrHlp.exe** .

#### FOURTH :

Restart you computer and enjoy .

AFTER THAT THE POPUP WILL NOT SHOW AGAIN .....

@Anonymous :: To be able to view your file extensions, you must enable it by going to **tools>folder option>view> go down to show hidden files,folders and drives...** tick on it and save ... after that you will be able to see your file extension

I am using a 64bit IDM and cant find the .exe extension even after showing hidden files. Whats the other solution?

[Reply](#)

**trustdee ugochukwu** [10 February 2014 05:10](#)

@Kanywira Elias ::: Are you able to see IDM folder in Program files?  
If not try Program files x86.

Waiting for your reply
